SPECIFICATIONS

Designed for truly versatile operation, EZ Oil VersaPour works seamlessly with standard boxed oils or jugs, but can also be used with tallow or other semi-solid fats. Operators have freedom to choose whichever frying material best fits their menu, budget, or performance needs. Can be used with standard cooking oil or, when paired with optional warming or melting accessories, tallow or other semi-solid fats.

STANDARD FEATURES

- Heavy stainless steel construction
- Control panel with alarm
- Easy to access and service components

AGENCY APPROVAL OPTIONS

- UL 197
- UL 1889
- CE
- UKCA
